Coaches Clinic**  
For Boys & Girls  
Coaches at all Levels  
Sunday October 19th  
10am-3pm  
At  
Moravian College

THE 2014 MORAVIAN COLLEGE BASKETBALL  
 COACHING STAFF & PLAYERS  
 INVITE YOU TO OUR ALL NEW  
 2014 GREYHOUND COACHING CLINIC

Now in its 35th year, our clinic will take on an all new format. This year our staff will conduct the clinic with our own players demonstrating on the court. We will begin with a session with our assistant coaches conducting skill drills to train players individually and in small groups by position. Following that Coach Walker will conduct a session on the 1-3-1 defense which Moravian has been using for over 35 years. He will be teaching the freshmen the defense for the first time and will not only be explaining the defense but will also demonstrate breakdown drills that teach the positions in the defense. After lunch the entire staff will conduct a session of offensive and defensive competitive practice drills that can improve your team's practice. Everything being covered in these three sessions will be included in our clinic notebook which will be given to each coach in attendance. Our last session will be a unique open ended session of questions and answers about any topic that the coaches in attendance want to cover. Also, at any time in any session we will encourage questions and answers. If you wear your basketball shoes you can also participate as a guest coach in some of the drills. We will be asking for volunteers to do so in each drill. We encourage you to join us for a great day of basketball that will be worth far more than the price of admission.

Yours in Coaching-Jim Walker
