

Adopt a Greyhound Costa Rica Trip

For the past thirty years our team has traveled overseas every three or four years. Most of our players have had the opportunity to participate in international travel. For this upcoming season the team is planning to travel to Costa Rica for 5 nights between Christmas and New Year's. International team trips are not part of our budget. Each team must combine fundraising with personal funds to pay for the trip. Our team thanks everyone who has helped support our trips in past years as well as several who have already supported this trip! This year again we are asking for your support in raising funds for our trip. We have included at the bottom an **Adopt a Greyhound** support form. We ask each of you to consider even a small donation to help us offset the cost of the trip. Just return the form at the
